The 14th eLearning and Software for Education Conference - eLSE 2018 - organized by the Romanian Advanced Distributed Learning Association is hosted in Bucharest, April 19th - 20th, 2018.

The purpose of the annual international scientific conference on “eLearning and Software for Education” is to enable the academia, research and corporate entities to boost the potential of the technology enhanced learning environments, by providing a forum for exchange of ideas, research outcomes, business case and technical achievements.

The central theme of eLSE 2018 is “eLearning challenges and new horizons”
